PHILLIP ISLAND 2019 SUPERCARS CHAMPIONSHIP “The WD-40 Phillip Island SuperSprint” April 12-14

Dear P.I.A.R.C. Race Official,

The 2019 WD-40 Phillip Island SuperSprint, Supercar Championship Race Meeting is approaching rapidly and information necessary for your participation is included here. This is a three-day race meeting with Friday practice being run as a part of the Meeting. All our regular officials are needed and for 2019, all officials have to register on the Supercars Data-base to be on the event list.

As an official returning from 2018 you will already have a “My Volunteer Page” account, the process of applying is simple. You will need to click on the link below on or after February 26th and log in to your “My Volunteer Page” using the sign in box on the right hand side of the page (with the header “I already have a user name”). From here please take the time to check that all of the information that you supplied last year is still correct and then press “Submit Application”. If you cannot remember your username or password please click on “Forgot my username or password”

If you are a new official wishing to do the Supercar Event this year then you must create a profile by clicking on the link below and apply as a new volunteer.

This is the link you need to click on.

If this link does not work we suggest you right click and Open Hyperlink.

Supercars Australia will provide ALL officials who upload a passport style photo to their profile with a Series accreditation hard card. This card will be activated for any Supercars promoted events throughout 2019. If a volunteer does not provide a photo they will receive an event specific pass with their name on it instead.

This Meeting is dedicated to the Virgin Australia Supercars, and we have the Porsche Payce Carrera Cup, Toyota 86 Racing Series, Kumho Tyre Super 3 and Paynter Dixon Touring Car Masters to support them.

Closer to the event, you will get complete detail of where your passes can be collected, and at what times you have to report, but the pattern will be much the same as in previous years.

For this Meeting, **CAMPING** is available at the circuit, and the Marshal's area is just by the Visitor Centre. Camping is free for Officials and for one guest each. **PLEASE NOTE** – The camping application is part of your on line registration on page 2.

The key officials for this weekend are Colin Smith as Clerk of the Course with Matt Balcombe as his Deputy, Geoff Bull as Secretary of the Meeting.

IF YOU HAVE A PROBLEM WITH ANY OF THIS, PLEASE CONTACT YOUR TEAM LEADER.

**2019 PHILLIP ISLAND TEAM EXECUTIVE OFFICERS
for the staffing of each team, & to report to Team Chief for this event.**
