Media Release

Cancellation of Round 2 PIARC Supersprints and races 4-5th April 2020

Due to the government's implementation of Level 2 restriction in relation to the COVID-19 epidemic, the Phillip Island Auto Racing Club (PIARC) has cancelled the upcoming Supersprint on April 4-5 at Phillip Island Grand Prix Circuit.

We would like to acknowledge the efforts that have been made by our board, Motorsport Australia, Phillip Island Operations, Victorian Super Kart Club, Victorian Excel Association & VicV8's in assisting us in implementing the changes required to run the event as per Level 1 restrictions.

To those sprint competitors who have already entered, PIARC will be providing a 100% refund of your entries for the April Supersprint.

To our Officials and the greater Victorian motorsport community – thank you for your support and eagerness to back PIARC in providing access to motorsport in these uncertain times.

PIARC's commitment to motorsport is stronger than ever and we look forward to our next event where we will enjoy our sport together. Our next Supersprint event including races for Hyundai Excels is scheduled for 27th and 28th of June 2020.

We wish all members, their family and the community the best in these times and we will keep you informed in providing access to motorsport.
