CLUB BADGES IN STOCK

We have commissioned a further supply of club badges and they are now available as detailed in the ad at the back of this magazine.

They are both on quality stamped metal and the hatpin badge being coated with epoxy.

Right now and for the next two months prices are being kept at the existing price, and will then increase to reflect the latest manufacturing costs.

The radiator badge is 80mm top to bottom and will cost \$35.

The hatpin is 24mm top to bottom and will cost \$15.
