

Privacy Policy

This policy applies to all information collected or submitted on Phillip Island Auto Racing Club Ltd.'s apps for iPhone and any other devices and platforms.

Information we collect

When joining the club on the app, you will be asked for your name, address details, contact details, email address and pin code. Your address is only used to send you your membership card and the bi-monthly club magazine 'PIARC Notes'.

Your email address is used to send you your membership number which you can use with your pin code to log in on the app. Email addresses are also used for pin code resets, responding to emails that you initiate, and notifications that you request.

If you choose to submit your contact details, those will only be used for general contact regarding your membership and competition status.

Technical basics

If you enable notifications, we must store a token to send them.

Our server software may also store basic technical information, such as your IP address, in temporary memory or logs.

Information usage

We use the information we collect to operate and improve our website, apps, and customer support.

We do not share personal information with outside parties.

Security

We implement a variety of security measures to help keep your information secure. Pin codes are [hashed](#), not stored, using industry-standard methods.

Accessing, or changing your information

You may access or change your information from the PIARC iOS app.

Third-party links and content

PIARC displays links and content from third-party sites such as Natsoft and CAMS. All payments go through Braintree, a PayPal service. Notifications are sent through the Firebase Cloud Messaging service. These have their own independent privacy policies, and we have no responsibility or liability for their content or activities.

Your Consent

By using our site or apps, you consent to our privacy policy.

Contacting Us

If you have questions regarding this privacy policy, you may email app@piarc.com.au .

Changes to this policy

If we decide to change our privacy policy, we will post those changes on this page. Summary of changes so far:
